As to the Recovery of private Improvement Expences.

CLVII. Whenever any new Sewer shall be made the Commissioners may charge the Occupiers of all Lands and Buildings liable to contribute to the Rates for making the same with special Sewer Rates, over and above any other Rates to which such Persons may be liable under this or the special Act, after the yearly Rate of Six Pounds Ten Shillings in the Hundred Pounds on the Cost of making such new Sewer, such special Sewer Rates to be payable during Thirty Years next after such Expences have been incurred. Where new Sewers are made Commissioners may make special Sewer Rates.

CLVIII. Except where it shall be otherwise provided by the special Act, the Commissioners shall make a Sewer Rate, to be called the general Sewer Rate, distinct from any other Rate which they may be authorized to make under the special Act, and the Money to be raised by such general Sewer Rates shall be applied in maintaining and clearing the Sewers, and all other Expences connected with such Sewers not herein-before provided for, or which may not be fully defrayed by the special Sewer Rates, and for securing and paying off any Monies which may be borrowed for the Purpose aforesaid on Security of the special Sewer Rates under the Provisions of this or the special Act, or of any Act incorporated therewith, and the Interest of such Monies which the special Sewer Rates shall be insufficient to defray. Commissioners to make a general Sewer Rate distinct from other Rates.

CLIX. The Commissioners may borrow Money by Mortgage of the special and general Sewer Rates for making new Sewers, or inclosing open Sewers, and also for any private Improvement Expences, by Mortgage of the Rates respectively applicable to defray such Expences, and for that Purpose the Clauses of the "Commissioners Clauses Act, 1847," with respect to the Mortgages to be executed by the Commissioners, shall be incorporated with this Act; and in order to discharge the Principal Money borrowed Commissioners may borrow Money by Mortgage of Sewer Rates.

Rates.

borrowed as aforesaid on Security of any such Rates, the Commissioners shall in every Year pay off not less than One Thirtieth Part of any principal Sum so borrowed.

Sewer Rate to be of such Amount as to pay off Monies borrowed thereon in Thirty Years.

CLX. The Commissioners shall from Time to Time, unless it be otherwise provided by the special Act, make the general Sewer Rate of such Amount as will with the special Sewer Rates raise Money sufficient not only to defray the current Expences of maintaining the Sewers that shall have been purchased or made, but also to keep down the Interest of any Monies borrowed on Security of the special and general Sewer Rate, and to pay off the Principal of such Monies within a Period not longer than Thirty Years.

Cases where Rates may be charged upon separate and distinct Districts.

CLXI. Where by this or the special Act the Commissioners are authorized to order that any Rate shall be levied by Assessments to be made for separate and distinct Districts, the Commissioners from Time to Time may order Assessments to be made in respect of the Rates authorized to be so levied upon separate and distinct Districts, and in such Case the Commissioners shall cause their Surveyor to describe and define in the Plan of the Town or District within the Limits of the special Act every such separate and distinct District for the Purposes of separate rating as aforesaid, and so from Time to Time as Occasion shall require.

Rates to be levied on separate and distinct Districts.

CLXII. The Commissioners may in such Case, instead of making one Assessment for the whole Town or District within the Limits of the special Act, make separate and distinct Assessments, as Occasion shall require, for every such separate and distinct District respectively, and may appoint, if they see fit, Surveyors, Collectors, and other Officers for every such District, and they shall cause separate and distinct Accounts to be kept of all Monies collected and received under any Rate in each distinct District, and of all Payments and Disbursements in respect thereof, and they shall, unless otherwise provided by the special Act, apply the Monies to be collected and received from each distinct District under any such Rate as aforesaid for the several Purposes to which the same may be lawfully applied under the Authority of this and the special Act, but so nevertheless that each District shall, as near as may be, bear its own Expences; and in case any such Expences shall apply to or be incurred in respect of Two or more Districts, the same shall be apportioned and divided between such Districts in a fair and equitable Manner.

Drainage Rates.

CLXIII. In all Cases when the Commissioners have paid or become liable to the Payment of any Expences in constructing or laying any Drain or Pipe from any House or Building, or in providing any Privy, Ashpit, or Cesspool for the Use of the Occupiers thereof, and when neither the Owner nor Occupier of such House or Building is willing to defray the said Expences forthwith, the Commissioners shall lay Drainage Rates on the Occupiers of such Houses and Buildings respectively, to be continued for Six successive Years and no longer; and the Sum to be annually levied by every such Drainage Rate shall be One Fifth Part of the whole Expence incurred in constructing, laying, or providing such Drain, Privy, Ashpit, or Cesspool as aforesaid, and shall be applied in satisfaction thereof; and the Amount of any such Drainage Rate may be added to any other Rate levied from the Occupiers of such Houses and Buildings, and recovered therewith by the like Ways and Means.

Occupiers may deduct a Proportion of Drainage Rate from their Rent.

CLXIV. Every Occupier of any such House or Building at a Rent not less than the Rack Rent who has paid any such Drainage Rate shall be entitled to deduct Three Fourths of the Rate so paid by him from the Rent payable by him to his Landlord: Every Occupier at a Rent less than the Rack Rent who has paid any such Drainage Rate shall be entitled to deduct from the Rent payable by him to his Landlord such Proportion of Three Fourths of the Rate so paid by him as the Rent payable by him bears to the Rack Rent.

Landlords being also Tenants may deduct Proportion of Drainage Rate from their Rent.

CLXV. Every Landlord, from whom any Part of his Rent has been deducted on account of such Drainage Rate, and who is himself liable to the Payment of Rent, shall be entitled to deduct from the Rent payable by him such Proportion of the Sum so deducted from the Rent payable to him as the Rent payable by him bears to the Rent payable to him, and so in succession with respect to every Landlord receiving Rent, and also liable to pay Rent on account of such House or Building; provided that no Landlord, being also a Tenant, shall be entitled under this Provision to deduct from the Rent payable by him more than the whole Sum deducted from the Rent payable to him.

Limitation of Expenditure for House Drains, &c.

CLXVI. Without the written Consent of the Owner of any such House or Building, the Commissioners shall not be empowered to expend during any Term of Six successive Years more in the whole than One Year's Rack Rent thereof in constructing or laying any such Pipe or Drain, or in providing any such Privy, Cesspool, or Ashpit.

And with respect to the Manner of making Rates authorized by this or the special Act, be it enacted as follows:

Rates to be levied on Persons holding, using, or occupying Houses, &c.

CLXVII. Exemptions from Rates.

CLXIX. The Commissioners may make any such Rate as aforesaid prospectively in order to raise Money to pay Charges and Expences to be incurred thereafter, or retrospectively in order to raise Money to pay Charges and Expences already incurred. Rates may be prospective or retrospective.

CLXX. The Commissioners from Time to Time, before proceeding to make any Rate which by this or the special Act, or any Act incorporated therewith, they are authorized to levy, shall cause an Estimate to be prepared of the Money required for the several Purposes in respect of which they are authorized to levy such Rate, showing the several Sums required, the rateable Value of the Property assessable, and the Rate on each Pound of such Value necessary to raise the Money required, which Estimate, after the same has been approved of by the Commissioners, shall be forthwith entered on the Rate Book to be kept by the Commissioners as herein-after provided. Commissioners to cause Estimates to be prepared before making a Rate.

CLXXI. Notice of Rate to be given.

CLXXII. Every such Rate shall be fairly transcribed in a Book to be kept for that Purpose, and may be in the Form given in the Schedule (A.) annexed to this Act, or as near thereto as the Circumstances of the Case will admit of; and every such Rate shall contain an Account of every Particular set forth at the Head of the respective Columns so far as the same can be ascertained; and every such Rate shall be signed by not less than Six of the Commissioners. Rate to be open to Inspection of Rate-payers, who may take Copies, &c.

CLXXIV. The Commissioners may from Time to Time amend any Rate made by virtue of this or the special Act by inserting therein the Name of any Person claiming and entitled to have his Name therein as Owner or Occupier, or by inserting therein the Name of any Person who ought to have been rated, or by striking out the Name of any Person who ought not to have been rated, or by raising or reducing the Sum at which any Person has been rated, if it appear to them that such Person has been under-rated or over-rated, or by making such other Amendments therein as will make such Rate conformable to this and the special Act, and no such Amendment shall be held to avoid the Rate: Provided always, that every Person aggrieved by any such Alteration shall have the same Right of Appeal therefrom as he would have had if his Name had been originally inserted in such Rate, and no such Alteration had been made; and as respects such Person the Rates shall be considered to have been made at the Time when he received Notice of such Alteration; and every Person whose Rates are altered shall be entitled to Seven Days Notice of such Alteration before the Rate shall be payable by him. Rates may be amended.

The annual Value of all Property rateable under this or the special Act shall be ascertained according to the next preceding Assessment for the Relief of the Poor within the Limits of the special Act, except in such Cases as are herein-after mentioned. Value of Property to be ascertained by Poor Rate.

CLXXVI. Provided always, That if at any Time the Rate for the Relief of the Poor within the Limits of the special Act be in the Judgment of the Commissioners an unfair Criterion by which the said Rates should be made, they may cause a Valuation to be made of all the rateable Property within the Limits of the special Act, or of any such separate District as aforesaid, by some competent Person appointed by them for that Purpose, and the Rates made by the Commissioners for the Purposes of this Act shall be made upon such Valuation; and in every such Valuation the Property rateable shall be computed at its net annual Value, as defined by an Act made in the Seventh Year of His late Majesty, intituled *An Act to regulate Parochial Assessments*, or any other Act for the Time being in force for regulating Parochial Assessment. If Poor Rate an unfair Criterion, a Valuation to be made. 6 & 7 W. 4. c. 96.

CLXXVII. Before any such Valuation shall be made the Person appointed to make it shall make and subscribe a solemn Declaration to make such Valuation fairly and impartially according to the best of his Judgment, and an Entry or Minute shall be made in the Book of Proceedings of the Commissioners of the making and subscribing of such Declaration, and of the Date thereof, and any Justice to whom Application is made for that Purpose shall administer such Declaration. Rates.

to inspect the same at reasonable Times, or to take Copies thereof or Extracts therefrom, shall be liable to a Penalty not exceeding Five Pounds for every such Offence.

Owner of Property unoccupied to be assessed to the Sewer Rate.

CLXXIX. When any Property in respect of which the Occupier would be liable to be rated to any Sewer Rate made under the Provisions of this or the special Act is unoccupied at the Time of making such Rate, the Commissioners shall rate and assess the Owner of such unoccupied Premises to such Rate, and every such Owner shall pay the Amount of such Rate: Provided always, that nothing herein contained shall affect the Right herein reserved to recover any Arrears of such Rates from any future Occupier of such Premises.

Unoccupied Premises to be included in the Rates; and if the Premises are afterwards occupied, a Portion of Rates to be paid.

CLXXX. When any Property in respect of which any Person is liable to be assessed as Occupier to any Rate under the Provisions of this or the special Act, or any Act incorporated therewith, other than the Sewer Rate, is unoccupied at the Time of making any such Rate, the Commissioners shall in every such Case include such Property in the said Rate, describing it in the Column appropriated to the Name of the Occupier as being "empty;" and if any Person afterwards occupy such Property during any Part of the Period for which such Rate was made, the Commissioners shall insert in such Rate the Name of such Occupier, and collect from such Occupier, or from the Owner if he be liable to pay the same, a Portion of the said Rate proportioned to the Time during which such Person occupies such Property, and every such Person shall thereupon be deemed to all Intents and Purposes to be properly rated; and all such Rates may be collected and recovered from the Person liable to pay the same under the Provisions of this or the special Act in the same Manner as other Rates made payable thereunder: Provided always, that any Person whose Name is so inserted in such Rate, and such Owner as last aforesaid, may appeal against such Rate to the Justices at Special Sessions, or to the next Quarter Sessions holden after such Insertion of his Name as aforesaid admitting of such Appeal, in the same Manner as he might have appealed if named in the Rate: Provided also, that, except as aforesaid, no Rate other than the Sewer Rate shall be payable by any Person in respect of unoccupied Premises.

Owners of Property not exceeding 10*l.* per Annum to pay Rates.

CLXXXI. The Owners of all rateable Property, of which the full net annual Value does not exceed the prescribed Sum, or (where no Sum is prescribed) the Sum of Ten Pounds, or which are let to weekly or monthly Tenants, or in separate Apartments, shall be rated to and pay the Rates by this or the special Act directed to be made, instead of the Occupiers thereof.

Not necessary to name the Owner where unknown.

CLXXXII. Whenever the Name of any Owner liable to be rated under the Provisions of this or the special Act is not known to the Commissioners, or to the Person making the Rates, it shall be sufficient to rate such Owner in the Rate Book of the Commissioners as the Owner of the Property to be rated by the Designation of "the Owner," without stating his Name.

Tenants under existing Leases to repay the Owner.

CLXXXIII. Provided always, That when any Owner is rated in respect of any rateable Property in the Occupation of any Tenant under any Lease or Agreement made prior to the passing of the special Act, such Tenant shall repay to the Owner all Sums paid by him during the Continuance of such Lease on account of any Rates under this or the special Act payable by the Occupier, unless it have been agreed that the Owner shall pay all Rates in respect of such Property; and every Sum so payable by the Tenant to the Owner may be recovered, if not paid upon Demand, as Arrears of Rent could be recovered from the Occupier by the said Owner.

Occupiers may be rated if they think fit.

CLXXXIV. Provided also, That the Occupiers of any rateable Property, being Tenants thereof from Year to Year, may demand to be assessed for the same, and to pay the Rates in respect thereof made under the Authority of this or the special Act, and the Commissioners shall assess every such Occupier so long as he duly pays the said Rates.

Appeal.

And with respect to the Appeal to be made against any Rate, be it enacted as follows:

Persons aggrieved may appeal to Petty Sessions on the ground of Incorrectness, &c. of Valuation.

CLXXXV. If any Person think himself aggrieved by any Rate on the ground of Inequality, Unfairness, or Incorrectness in the Valuation of any rateable Property included therein, or in the Amount assessed thereon, he may at any Time within One Month after such Rate is made appeal to the Justices at any Special Sessions holden for the Division within which the rateable Property is situated for the Purpose of considering Appeals against the Poor Rates, or in *Ireland* may appeal to the Justices of the Petty Sessions of the District, or to the Justices acting for the District within which the rateable Property is situated; but no such Appeal shall be entertained by such Justices unless Seven Days Notice in Writing of such Appeal be given by the aggrieved Party to the Commissioners; and at the Sessions for which such Notice is given, or any Adjournment thereof, the Justices there present shall hear and determine all Objections to any such Rate on the ground of Inequality, Unfairness, or Incorrectness in the Valuation of any Property included therein, or in the Amount assessed thereon, of which Notice has been so given, but no other Objection; and their Decision shall be final, unless the Party impugning such Decision, within Fourteen Days after the same is made, give Notice in Writing to the other Party of his Intention to appeal against such Decision, stating in such Notice the Nature and Grounds of such Appeal, and within Five Days after giving such Notice enter into a Recognizance before some Justice of the Peace, with sufficient Sureties conditioned to try such Appeal at the then next Quarter Sessions at which the same can be tried, and to abide the Order of and pay such Costs as shall be awarded by the Court at such Sessions, or any Adjournment thereof.

Their Decision to be final, unless appealed from to Quarter Sessions.

Parties may appeal to the Quarter Sessions against a Rate.

CLXXXVI. If any Person think himself aggrieved by any Rate made under the Authority of this or the special Act, or by any Matters included in or omitted from the same, he may, at any Time within One Month after the same is made, give Notice of his Intention to appeal to the next Quarter Sessions holden not less than Fourteen Days after such Notice; but no such Appeal shall be entertained at such Quarter Sessions

Sessions unless Fourteen Days Notice in Writing of such Appeal, stating the Nature and Grounds thereof, be given by the aggrieved Party to the Commissioners: Provided always, that no such Notice of Appeal shall prevent the issuing of the Warrant of Distress for Recovery of any such Rate as herein-after provided, or the Execution thereof. *Appeal.*

CLXXXVII. The Court shall hear and determine the Appeal in a summary Way at the Quarter Sessions for which any such Notice of Appeal is given, or at the following Sessions, when the Court thinks fit to adjourn the Appeal to the following Sessions, and the Decision of the Court shall be final and conclusive on all Parties. Quarter Sessions to hear Appeal, whose Decision final.

CLXXXVIII. No Order of the said Justices shall be of any Force pending any Appeal touching the same Subject Matter to the Court of Quarter Sessions having Jurisdiction to try such Appeal, or in opposition to the Order of any such Court on such Appeal. No Order to be in force pending Appeal.

CLXXXIX. The said Justices and the Court of Quarter Sessions respectively shall in any such Appeal as aforesaid have the same Powers of amending or quashing the Rate in respect of which the Appeal is made as are by Law vested in Courts of Quarter Sessions for amending or quashing the Rates for the Relief of the Poor within their Jurisdiction upon Appeals against such Rates, and shall likewise have respectively, in any Appeal against any Rate made under the Authority of this or the special Act, the same Powers of awarding Costs to be paid by or to any of the Parties to the Appeal, and of recovering such Costs, as are now vested in them respectively for awarding and recovering Costs in an Appeal against any Rate for the Relief of the Poor within their Jurisdiction: Provided always, that if the said Justices or Court shall quash the Rate in respect of which the Appeal is made, then, notwithstanding the quashing of such Rate, all Sums of Money charged by such Rate on any Person charged by such Rate may, if the Justices or Court so order, be levied by such Means and in the same Manner as if no Appeal had been made against such Rate; and the Money which any Person charged on such Rate pays, or which is recovered from him, shall be taken as a Payment on account of the next effective Rate made on him for the same Purposes for which the Rate so quashed was made. On Appeal, the Quarter Sessions and Petty Sessions to have same Power of amending and quashing Rates, and of awarding Costs, as in Appeals against Poor Rates.

CXC. No Order of the said Justices or Court of Quarter Sessions upon any such Appeal as aforesaid shall be removed by Certiorari or otherwise into any of Her Majesty's Courts of Record at *Westminster*. No Certiorari.

And with respect to the Recovery of Rates, be it enacted as follows: *Recovery of Rates.*

CXCI. If any Person rated under the Authority of this or the special Act fail to pay any of the said Rates due from him for the Space of Fourteen Days after Demand thereof in Writing by the Commissioners or their Collector, any Justice, on the Application of the Commissioners or their Collector, may summon such Person to appear before him at a Time to be mentioned in the Summons to show Cause why the Rates due from him should not be paid; and in case no sufficient Cause for the Nonpayment of such Rate be shown, the same shall be levied by Distress, and such Justice shall issue his Warrant accordingly, or the Commissioners may recover the same by Action of Debt; provided that if no sufficient Distress whereon to levy the Amount due in respect of such Rates can be found within the Jurisdiction of the said Justice, then, upon Oath thereof made before any Justice of any other County or Jurisdiction in which any Goods or Chattels of the Person not paying the said Rates may be found, such Justice shall certify the said Oath by endorsing the said Warrant, and thereupon the Amount due in respect of the said Rates, and unpaid by the said Person, may be levied by Distress of the Goods and Chattels of such Person as assessed in the last-mentioned County or Jurisdiction. Rates to be recovered by Distress.

CXCII. The Warrant of Distress for the Recovery of any Rate made payable by this or the special Act may be in the Form or to the Effect mentioned in Schedule (B.) to this Act annexed; and in all Cases where a Distress is hereby authorized to be made, every Constable authorized by the Warrant to levy any Sum mentioned therein shall, upon being required by a Collector of the Rates, aid in making a Distress or Sale pursuant to such Warrant; and every Constable who refuses to do so shall be liable to a Penalty not exceeding Five Pounds. Form of Warrant of Distress. Constables to assist in making Distress.

CXCIII. In any Proceeding to levy and recover or consequent on the levying or recovering of any Rate under the Provisions of this or the special Act, the Books of Rates of the Commissioners, and all Entries made therein in manner by this or the special Act directed, by the Production thereof alone, and without any Evidence that the Notices and other Requirements of this or the special Act have been given or complied with, or Proof of the Seal of the Commissioners if they are incorporated, or if not, then on Proof of the Signatures of the Commissioners whose Names appear thereon or subscribed therein, shall be received as Evidence of such Rate and of the Contents thereof. Rate Books to be Evidence.

CXCIV. If any Person quit or be about to quit any rateable Property before he has paid the Rates then payable by him in respect thereof, and do not pay the same to the Commissioners or their Collector on Demand, any Justice having Jurisdiction where such Person resides, or his Goods are found, may summon such Person to appear before him at a Time mentioned in the Summons to show Cause why the Rates should not be paid, and if no sufficient Cause for the Nonpayment of such Rates be shown accordingly the same shall be levied by Distress, and such Justice shall issue his Warrant accordingly. Remedy against Persons quitting before Payment of Rates.

CXCV. When any Rate has been made for a particular Period, and the Owner or Occupier who is rated to such Rate ceases to be the Owner or Occupier of the Property in respect whereof he is rated before the End of such Period, such Owner or Occupier shall be liable to pay a Portion only of the Rate payable for the whole of such Period proportionate to the Time during which he continued to be Owner or Occupier; and in every such Case if any Person after the making of such Rate become the Owner or Occupier of any Property so rated as aforesaid during Part of the Period for which such Rate was made, such Rates to be apportioned on Holder quitting.

Recovery of Rates.

such Person shall pay a Portion of such Rate proportioned to the Time during which he held or occupied the Property so rated, and the same shall be recovered from him in the same Manner as if he had been originally rated for such Property.

Rates due from Owner may be recovered from Occupier.

CXCVI. When the Owner of any rateable Property is rated in respect thereof under the Authority of this or the special Act, and the Rate remains unpaid for Three Months, the Commissioners or their Collector may demand the Amount of such Rate from the Occupier for the Time being of such rateable Property, and on Nonpayment thereof may recover the same by Distress and Sale of his Goods and Chattels in like Manner as Rates may be recovered from the Occupier of any Property liable to be rated; and every such Occupier shall be entitled to deduct from the Rent payable by him to such Owner so much as was so paid by or recovered from him.

Occupier not to be required to pay more than the Amount of Rent owing by him.

CXCVII. Provided always, That no such Occupier shall be required to pay, nor shall his Goods and Chattels be distrained for any further Sum than the Amount of Rent due from him at the Time of the Demand made upon him for such Amount of Rate, or which after such Demand, and after Notice not to pay the same to his Landlord, at any Time accrues and becomes payable by him, unless he refuse, on Application being made to him for that Purpose by or on behalf of the Commissioners, truly to disclose the Amount of his Rent, and the Name and Address of the Person to whom such Rent is payable; but the Burden of Proof that the Sum demanded from any such Occupier is greater than the Rent due by him at the Time of such Notice, or which has since accrued, shall lie upon such Occupier.

Occupier refusing to give Name of Owner liable to a Penalty.

CXCVIII. If, on the Request of the Commissioners, or of the Collector of the said Rates, the Occupier of any Property refuses or wilfully omits to disclose, or wilfully mis-states to the Commissioners or Collector making such Request, the Name of the Owner of such Property, or of the Person receiving or authorized to receive the Rents of the same, any Justice of the Peace, on Oath made before him of such Request, and of such Refusal or wilful Omission or Mis-statement, may summon the Person who has so refused or wilfully omitted or mis-stated as aforesaid to appear at a Time and Place to be mentioned in such Summons before such Justice, or before some other Justice; and if the Person so summoned neglect or refuse to attend at the Time and Place mentioned in the Summons, or if he attend and do not show good Cause to the Justice then present for such his Refusal or wilful Omission or Mis-statement, such Justice, upon Proof, in case of the Neglect or Refusal to attend as aforesaid, of the due Service of the said Summons, or on such Attendance, may impose a Penalty upon such Person who has so refused, or wilfully made such Omission or Mis-statement, not exceeding the Sum of Five Pounds.

Surveyors of Highways may proceed for the Recovery of Arrears of Highway Rates.

CXCIX. The several Persons who at the Time of the passing of the special Act are Surveyors of Highways for any Township, or other District within the Limits of the special Act, may proceed for the Recovery of any Highway Rate made in such Township or District, and then remaining unpaid, in the same Manner as they might have done if this and the special Act had not been passed, and they shall apply the Money which they so recover, in the first place, in reimbursing themselves any Expences which they have incurred as such Surveyors as aforesaid, and in discharge of any Debts legally owing from them in respect of the Highways within such Township or District; and the Surplus, if any, arising from any Buildings or Lands within the Limits of the special Act, or a proportionate Part thereof, shall be paid by them to the Treasurer to the Commissioners, and shall be applied to the same Purposes as the Rates by this or the special Act authorized to be levied are directed to be applied.

Bye Laws.

And with respect to the Bye Laws to be made by virtue of this or the special Act, be it enacted as follows:

Bye Laws.

CC. The Commissioners may from Time to Time make such Bye Laws as they think fit for the several Purposes for which they are herein-before or by the special Act empowered to make Bye Laws, and from Time to Time repeal, alter, or amend any such Bye Laws, provided such Bye Laws be not repugnant to the Laws of that Part of the United Kingdom where the same are to have effect, or the Provisions of this or the special Act, and be reduced into Writing, and have affixed thereto the Common Seal of the Commissioners if they be a Body Corporate, or the Signatures of Two of the Commissioners if they be not a Body Corporate, and, if affecting other Persons than the Officers or Servants of the Company, be confirmed and published as herein provided.

Bye Laws may be enforced by Imposition of Penalties.

CCI. The Commissioners, by the Bye Laws so to be made by them, may impose such reasonable Penalties as they think fit, not exceeding Forty Shillings for each Breach of such Bye Laws: Provided always, that such Bye Laws be so framed as to allow the Justices before whom any Penalty imposed thereby is sought to be recovered to order the whole or Part only of such Penalty to be paid, or to remit the whole Penalty.

Bye Laws to be confirmed.

CCII. No Bye Law made by the Commissioners under the Authority of this or the special Act, except such as relate solely to the Commissioners or their Officers or Servants, shall come into operation until the same be confirmed in the prescribed Manner, and if no Manner of Confirmation be prescribed, then not until it be allowed by some Judge of one of the Superior Courts, or by the Justices in Quarter Sessions; and it shall be incumbent on such Justices, on the Request of the Commissioners, to inquire into any Bye Laws tendered to them for that Purpose, and to allow or disallow of the same as they think meet.

Notice of Confirmation to be given.

CCIII. No such Bye Laws shall be confirmed unless Notice of the Intention to apply for a Confirmation of the same have been given in One or more Newspapers circulating within the Limits of the special Act One Month at least before the hearing of such Application; and any Person desiring to object to any such Bye Law, on giving to the Commissioners Notice of the Nature of his Objection Ten

CCIV. For One Month at least previous to any such Application for Confirmation of any Bye Law a Copy of the proposed Bye Laws shall be kept at the principal Office of the Commissioners, and all Persons may at all reasonable Times inspect such Copy without Fee or Reward; and the Commissioners shall furnish every Person who applies for the same with a Copy thereof, or of any Part thereof, on Payment of Sixpence for every One hundred Words so to be copied. Publication of Bye Laws.

CCVI. Such Bye Laws, when so confirmed and published, shall be binding upon and be observed by all Parties, and shall be sufficient to justify all Parties acting under the same. Bye Laws to be binding.

Sasines appropriate to the Lands, shall be held absolutely to extinguish such Right of Superiority, and shall enable the Petitioner to apply to such Over-superior, as his immediate Superior, for an Entry accordingly; and it is hereby provided, that in the renewed Investiture to be so obtained by the Petitioner under the Authority of the said Decree, the Tenendas and Reddendo contained in the Title Deeds of the forfeited Superiority shall be inserted in room of those contained in the Investiture of the Petitioner's Predecessor or Author, and the Lands shall be held by the Petitioner and his Successors according to the Tenure of the forfeited Superiority in all Time thereafter; and the Charter or Precept in the Petitioner's Favour shall be expressed as nearly as may be in one or other of the Forms given in Schedule (I.) hereunto annexed.

Or Owner may, in such Case, apply to Lord Ordinary on the Bills to authorize Application for an Entry to the Crown or Prince or mediate Superior as in vice of the recusant Superior.

IX. N° 1.) hereunto annexed, praying for Warrant and Decree as there set forth, and the Lord Ordinary shall pronounce an Order for Service in the Terms or as nearly as may be in the Terms of the Interlocutor given in Schedule (F. N° 2.) hereunto annexed; and if after such Service and Expiration of the Days of such Charge such Person shall not comply with the Demand of the Petition by completing his Title and granting Entry to such Petitioner as aforesaid, or shall not show reasonable Cause to the Lord Ordinary why he delays or refuses so to do, he shall for himself and his Heirs, whether of Line, Conquest, Taillie, or Provision, forfeit and amit all Right to the Dues and Casualties payable on the Entry of such Petitioner, who shall also be entitled to retain his Feu Duties or other annual Prestations until fully paid and indemnified for all the Expences of the Petition and Procedure thereon, and all the Expences of completing his Title in Terms of this Act; and the Lord Ordinary shall pronounce interim Decree to that Effect, and grant interim Warrant for such Petitioner applying for and obtaining an Entry from the Crown or Prince of *Scotland*, or, in the Option of the Petitioner, from the mediate Over-superior as acting in the Vice of such Superior, all in the Form, or as nearly as may be in the Form, given in Schedule (F.), N° 3., hereunto annexed; and such Petitioner shall be entitled forthwith to lodge, along with an Extract of the said Decree, in the Office of the Presenter of Signatures, a Draft of a proposed Charter or Precept from the Crown or Prince as in Vice of such Superior, with a short Note in Terms of the Act passed in the present Session of Parliament, to alter and amend the Practice in *Scotland* with regard to Crown Charters and Precepts from Chancery; and such Charter or Precept, for which the said Extract Decree shall be a sufficient Warrant, may be in the Form given in the Schedule (H.) hereunto annexed, and shall be as effectual as if granted by the mediate Superior of the Feu when duly infeft in the Superiority; and when there is a mediate Over-superior such Extract Decree shall, in the Option of the Petitioner, be directed against such mediate Over-superior, and shall be a sufficient Warrant for Letters of Horning to charge such Over-superior to enter the Petitioner by granting a valid Charter or Precept as in Vice of such Superior; and after Completion of his Title such Petitioner shall be entitled, if he thinks fit, to lodge, as Part of the Proceedings under the said Petition, an Account of the Expences of that Process, and of completing his Title, and the Lord Ordinary shall, if required on the Part of such Petitioner, modify the Amount thereof, and decern for Retention as aforesaid, in the Form given in Schedule (F.), N° 4., hereunto annexed.

Lands to be held temporarily of the Crown or Prince or mediate Superior.

X. And be it enacted, That the Lands and others contained in such Charter or Precept to be so obtained shall be holden of the Crown or Prince, or the mediate Over-superior, as in the Vice of the unentered immediate Superior, while and so long as he and his Successors, the immediate Superiors thereof, shall remain unentered, and thereafter until a new Entry in favour of the Vassal or his Successors shall become requisite.

The Party in Right of the Superiority may lodge a Minute tendering Relinquishment of his Right, and if accepted by the Petitioner, the Lord Ordinary may interpone his Authority.

XI. And be it enacted, That when a Petition shall be presented as aforesaid praying for Warrant of Service and for Decree against any Person so having a Right to the Superiority of any Lands, and not having completed his feudal Title thereto, whether the annual Reddendo shall be above or below the Value or Amount of Five Pounds Sterling, it shall be competent for him at any Time before Expiration of the Days of Intimation, or before interim Decree shall have been extracted as aforesaid, to lodge, as Part of the Proceedings under such Petition, a Minute, signed by himself or by his Mandatory or Agent, duly authorized by him in Writing, stating that he tenders Relinquishment of the Right of Superiority which he holds on Apparency in favour of the Petitioner and his Heirs and Successors, and such Minute shall be in the Form, or as nearly as may be in the Form, given in Schedule (G.), N° 1., hereunto annexed; and if the Petitioner shall by himself or his Counsel or Agent subscribe or endorse upon such Minute an Acceptance of the same in the Form given in Schedule (G.), N° 2., hereunto annexed, the Lord Ordinary is hereby authorized and required, on the Petitioner's Motion, to interpone his Authority to such Minute and Acceptance, and to decern and declare the Right of Superiority thus relinquished to be extinguished, to the Effect of making the Petitioner and his Successors in the said Lands hold the Lands as Vassals immediately of and under the Superior of the relinquished Superiority in Permanency and by the Tenure and for the Reddendo by and for which such relinquished Superiority was held, the Decree so to be pronounced to be in the Form, or as nearly as may be in the Form, of Schedule (G.), N° 3., hereunto annexed; and the said Decree, when extracted and recorded in the Register of Sasines appropriate to the Lands, shall entitle the Petitioner and his foresaids to apply for an Entry to such Superior accordingly as his immediate Superior; and in the renewed Investiture to

be obtained by the Petitioner under the Authority of the said Decree, the Tenendas and Reddendo contained in the Title Deeds of the relinquished Superiority shall be inserted in room of those contained in the Investiture of the Petitioner's Predecessor or Author, and the Lands shall be held by himself and his Successors according to the Tenure of the relinquished Superiority in all Time thereafter; and the Charter or Precept, as the Case may be, in the Petitioner's Favour may be expressed in one or other of the Forms given in Schedule (I.) hereunto annexed; but nothing herein contained shall be held as rendering it imperative on the Petitioner to accept of the offered Relinquishment, and to take the Place of his immediate Superior, it being hereby provided, that if he prefers it he shall be entitled to refuse the same, and to complete his Title by Entry from the Crown or Prince of *Scotland*, or the mediate Over-superior, as in the Vice of his immediate Superior.

Over-superior's Rights not to be extended or affected.

XII. And be it enacted, That the Investiture thus completed upon the Forfeiture of such Heir Apparent, or upon the Relinquishment of the Superiority by such Heir Apparent, and Acceptance by the Petitioner, shall in all respects, and to all Intents and Purposes, be as effectual as if such apparent Heir had completed his Titles to the Superiority, and thereafter conveyed the same to the Petitioner, and the latter, after completing his Titles under the Over-superior, had resigned *ad remanentiam* in his own Hands: Provided always, that the Title so completed shall not in any respect extend the Interests of such Over-superior, and that he shall be entitled to no more than the Casualties, whether taxed or untaxed, to which he would have been entitled if such apparent Heir had remained his Vassal.

Vassal obtaining or accepting Forfeiture or Relinquishment of Superiority to be liable for its Value, but Forfeiture or Relinquishment not to infer Representation.

XIII. Provided always, and be it enacted, That in the Case of such Forfeiture or Relinquishment of Superiority by any apparent Heir in manner above mentioned, the Vassal obtaining or accepting the same, and making up Titles under the Over-superior, shall be liable, but subject always to Retention of Expences as aforesaid, for the Value of the said Superiority to the said Heir Apparent, or any Person in his Right, or having Interest, as accords of Law; and such Forfeiture or Relinquishment by such Heir Apparent shall not infer a passive Representation on his Part, nor any Liability for the Debts of the Person last infeft therein, beyond the Price, if any, which he may receive for such Forfeiture or Relinquishment; and the Vassal, if he accepts thereof, shall not be accountable in any Case for more than the Value or Price of the forfeited or relinquished Right.

Forfeiture to take effect and Relinquishment lawful although Superiority form Part of an Estate held under Prohibitions against Alienation, &c.

XIV. and such and the 'same Proceedings should from Time to Time take place upon each successive Application of the said 'Company for the Purpose aforesaid to the said Governor, Lieutenant Governor, or other Person 'administering the Government of the said Island and its Dependencies, and the said Executive Council 'thereof; and upon each successive Report so made as aforesaid of the further Expenditure upon any 'such Lands of any further Sum of Two thousand five hundred Pounds Sterling as aforesaid, the said 'Company should be and become competent to alienate Twelve thousand five hundred Acres, or any 'smaller Quantity, of the Lands to be granted to them, until One Moiety or equal Half Part of such 'Lands should, in manner aforesaid, become alienable; 'the

'the said Company for and during the greater Part of such Second Term of Five Years; tenthly, that 'the said Quit Rents to accrue due for and during the further Term of Five Years, to commence and be 'computed from and after the Expiration of the Second Term of Five Years next following the Date of 'any such Grant should not be actually collected and received until the Expiration of such Third Term of 'Five Years, and that at that Time all Quit Rents accrued due and then in arrear by the said Company 'in respect of such Third Term of Five Years should be remitted, if Two hundred and fifty Convicts 'should have been regularly employed and maintained by the said Company for and during the greater Part 'of the said Third Term of Five Years; eleventhly, that the said Quit Rents to accrue due for and during 'the further Term of Five Years, to commence and be computed from and after the Expiration of the said 'Third Term of Five Years next following the Date of any such Grant, should not be actually collected 'until the Expiration of the Fourth Term of Five Years, and at that Time all Quit Rents accrued due and 'then in arrear by the said Company in respect of the said Fourth Term of Five Years should be remitted 'if Three hundred and fifty Convicts should have been regularly employed and maintained by the said 'Company for and during the greater Part of such Fourth Term of Five Years; twelfthly, that if at 'any Time within Twenty Years next after the Date of any such Grant it should be made to appear to 'the Satisfaction of His Majesty, His Heirs or Successors, or of the Governor, Lieutenant Governor, or 'other Person administering the Government for the Time being of the said Island and its Dependencies, 'that the said Company had by the Employment of Convicts exonerated the Treasury from a Charge 'equal in the whole to the Sum of Twenty-five thousand Pounds Sterling, then the Lands which might 'by His Majesty, His Heirs or Successors, have been granted to the said Company should be for ever 'discharged of and from the Quit Rents thereafter to accrue due in respect thereof, and in calculating the 'Amount of the Sums from which the said Treasury had been so exonerated it should be assumed and 'taken that the said Treasury had been saved the Sum of Sixteen Pounds Sterling for each and every 'Convict who should appear to have been maintained during One whole Year by the said Company, and 'in such Proportion for a lesser Term than One Year that each and every Convict should have been so 'maintained by the said Company; but the same cannot be 'effected without the Authority of Parliament:' May it therefore please Your Majesty that it may be enacted; and be it enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That it shall be lawful for Her said Majesty, Her Heirs or Successors, from Time to Time and at all Time hereafter, by Warrant under the Royal Sign Manual, to authorize and empower the Governor, Lieutenant Governor, or other Person for the Time being administering the Government of the said Island of *Van Diemen's Land* and its Dependencies, to execute a Deed or Deeds under the Great Seal of the said Island and its Dependencies, granting to the said Company any Lands, Tenements, and Hereditaments in the said Island and its Dependencies, freed and for ever discharged of and from the Quit Rents, Conditions, Provisoes, Limitations, and Restrictions in the said Letters Patent or Charter expressed and herein-before recited, or such of them, or such Parts thereof, as Her Majesty, Her Heirs or Successors, shall in and by the said Grant or Warrant or Grants or Warrants direct; SCHEDULE.

AN ACT for granting a CIVIL LIST to HER MAJESTY.

Most Gracious Sovereign:

WHEREAS Your Majesty has been most graciously pleased to declare to Your faithful Canadian Commons, in Provincial Parliament assembled, Your Majesty's gracious Desire to owe to the spontaneous Liberality of your Canadian People such Grant, by way of Civil List, as shall be sufficient to give Stability and Security to the great Civil Institutions of the Province, and to provide for the adequate Remuneration of able and efficient Officers in the executive, judicial, and other Departments of Your Majesty's public provincial Service, the granting of which Civil List constitutionally belongs only to Your Majesty's faithful Canadian People in their Provincial Parliament.

We, therefore, Your Majesty's most dutiful and loyal Subjects, the Commons of Canada, in Provincial Parliament assembled, desirous that a certain competent Revenue for the Purpose may be settled upon Your Majesty (to whom may God grant a long and happy Reign) as a Testimony of our unfeigned Affection to Your sacred Person and Government, have accordingly freely resolved to grant unto Your Majesty a certain Revenue payable out of the Consolidated Revenue Fund of this Province; we do therefore most humbly beseech Your Majesty that it may be enacted; and be it enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Legislative Council, and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the Authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled "An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of "Canada;" and it is hereby enacted, by the Authority of the same, That all Duties and Revenues over which the respective Legislatures of Upper Canada or Lower Canada had before the passing of the Act of the Imperial Parliament, intituled "An Act to re-unite the Provinces of Upper and Lower Canada, and "for the Government of Canada," or over which the Legislature of this Province has or may have Power

of

of Appropriation, shall form One Consolidated Revenue Fund, to be appropriated for the Public Service of this Province in the Manner and subject to the Charges herein-after mentioned.

And be it enacted, That the Consolidated Revenue Fund of this Province shall be permanently charged with all the Costs, Charges, and Expences incident to the Collection, Management, and Receipt thereof, such Costs, Charges, and Expences being subject, nevertheless, to be reviewed and audited in such Manner as shall be directed by any Act of the Legislature.

And be it enacted, That there shall be payable in every Year to Her Majesty, Her Heirs and Successors, out of the Consolidated Revenue Fund of this Province, a Sum not exceeding Thirty-four thousand six hundred and thirty-eight Pounds Fifteen Shillings and Four-pence Currency, for defraying the Expence of the several Services and Purposes named in the Schedule (A.) to this Act annexed; and during the Life of Her Majesty, and for Five Years after the Demise of Her Majesty, there shall be payable in every Year to Her Majesty, Her Heirs and Successors, out of the said Consolidated Revenue Fund, a further Sum not exceeding Thirty-nine thousand two hundred and forty-five Pounds Sixteen Shillings Currency, for defraying the Expence of the several Services and Purposes named in the Schedule marked (B.) to this Act annexed; the said Sums of Thirty-four thousand six hundred and thirty-eight Pounds Fifteen Shillings and Four-pence, and Thirty-nine thousand two hundred and forty-five Pounds Sixteen Shillings to be issued by the Receiver General in discharge of such Warrant or Warrants as shall be from Time to Time directed to him under the Hand and Seal of the Governor; and the said Receiver General shall account to Her Majesty for the same, through the Lords Commissioners of Her Majesty's Treasury, in such Manner and Form as Her Majesty shall be graciously pleased to direct.

And be it enacted, That the Sums set down in the First Column opposite to each Office or Department in the said Schedules (A.) and (B.) shall be payable for each, while the present Incumbents shall respectively remain in Office; and as often as any such present Incumbent shall cease to hold such Office the Sums respectively mentioned in the First Column shall cease to be payable, and the Sums mentioned in the Second Column shall, as each Case arises, be payable instead, as in the said Schedules mentioned.

And be it enacted, That it shall be lawful for the Governor to abolish any of the Offices named in the Schedule (B.), or to vary the Sums thereby appropriated to such Purposes connected with the Administration of the Government of this Province, as to Her Majesty, Her Heirs and Successors, shall seem fit; and that Accounts in detail of the Expenditure of the several Sums expended under the Authority of this Act shall be laid before both Houses of the Legislature within Thirty Days from the Beginning of the Session next after such Expenditure shall be made: Provided always, that not more than Two thousand two hundred and twenty-two Pounds Two Shillings and Four-pence shall be payable at the same Time for Pensions to the Judges out of the Sum mentioned in the said Schedule (A.), and that not more than Five thousand five hundred and fifty-five Pounds Eleven Shillings and One Penny shall be payable at the same Time for Pensions out of the Sum mentioned in Schedule (B.); and that a List of all such Pensions, and of the Persons to whom the same shall have been granted, shall be laid in every Year before the Legislature.

And be it enacted, That during the Time for which the said several Sums mentioned in the said Schedules are severally payable, the same shall be accepted and taken by Her Majesty, by way of Civil List, instead of all territorial and other Revenues now at the Disposal of the Crown arising in this Province; and that Three Fifths of the net Produce of the said territorial and other Revenues now at the Disposal of the Crown within this Province shall be paid over to the Account of the said Consolidated Revenue Fund; and also that during the Life of Her Majesty, and for Five Years after the Demise of Her Majesty, the remaining Two Fifths of the net Produce of the said territorial and other Revenues now at the Disposal of the Crown within this Province shall also be paid over in like Manner to the Account of the said Consolidated Revenue Fund.

And be it enacted, That the Consolidation of the Duties and Revenues of this Province shall not be taken to affect the Payment out of the said Consolidated Revenue Fund of any Sum or Sums heretofore charged upon the Rates and Duties now raised, levied, and collected, or to be raised, levied, and collected, to and for the Use of either of the former Provinces of Upper or Lower Canada, or of this Province, for such Time as shall have been appointed by the several Acts of the Legislature of the Province by which such Charges were severally authorized.

And be it enacted, That it shall not be lawful for the Legislative Assembly to originate or pass any Vote, Resolution, or Bill for the Appropriation of any Part of the said Consolidated Revenue Fund, or of any other Tax or Impost, to any Purpose which shall not have been first recommended by a Message of the Governor to the said Legislative Assembly during the Session in which such Vote, Resolution, or Bill shall be passed.

Provided always, and be it enacted, That the foregoing Provisions of this Act shall have no Force or Effect until the Fiftieth, Fifty-first, Fifty-second, Fifty-third, Fifty-fourth, Fifty-fifth, Fifty-sixth, and Fifty-seventh Sections of the Act of the Parliament of the United Kingdom of Great Britain and Ireland, intituled "An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of "Canada," and the Schedules referred to in the said Sections, shall have been repealed.

CAP. LXXII.

An Act for the further Amendment of the Laws relating to Turnpike Roads in *South Wales*.

[22d *July* 1847.]

'WHEREAS it is expedient to amend an Act passed in the Session held in the Seventh and Eighth 'Years of the Reign of Her present Majesty, intituled *An Act to consolidate and amend the Laws* 7 & 8 Vict. c. 91. 'relating to Turnpike Trusts in* South Wales: And whereas by the said Act Provision is made for the 'assessing, levying, and collecting of a Rate for the Purposes of the said Act, to be termed a County 'Road Rate, and also for the levying and collecting of Tolls, and the Distances within which it shall be 'lawful to collect the same, and for other Purposes: And whereas Difficulty has been found in carrying 'these and other Provisions of the said Act into execution:' Be it enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That so much of the said recited Act as requires the High Constables of any Hundred or Division to perform any Part or Duty in the levying or collecting of any County Road Rates, or to act in anywise therein, shall be and is hereby repealed, and the Provisions of an Act passed in the same last-mentioned Session of Parliament, intituled *An Act for facilitating the Collection of County Rates, and for relieving High Constables from Attendance at Quarter Sessions in certain Cases, and from certain other Duties*, shall be deemed to apply to such County Road Rates in like Manner as to any County Rates.

So much of 7 & 8 Vict. c. 91. as requires High Constables to act in Collection of County Road Rates repealed, and 7 & 8 Vict. c. 33. to apply.

II. And be it enacted, That whenever the Justices of the Peace in any of the Counties in *South Wales* to which the said first-recited Act applies shall, in conformity with the Provisions and for the Purposes of the said Act, order a County Road Rate to be assessed and collected with and as Part of the County Rate for any of the said Counties respectively, they shall cause the same to be collected by the same Officers or Parties as shall for the Time being collect the County Rate; and in every Precept or Warrant to be issued for the Collection of the said County Rate and County Road Rate jointly, the Amount assessed upon each Parish, Township, or other Place in respect of each of such Rates shall be set forth separately.

County Road Rate to be collected by the same Officers or Parties as the County Rate.

III. And be it enacted, That in any Case in which the Justices of any such County shall not issue their Precept to the Guardians of any Union for the Payment of the County Rate to the Treasurer of the County, in conformity with the Statute in that Behalf, then and in such Case the Clerk of the Peace of such County shall, so soon as the Warrants for the Collection of the County Rate and of the County Road Rate shall have been issued, send a Copy of every such Warrant which shall relate to any Parish or other Place comprised in such Union to the Clerk to the Guardians of such Union.

Clerks of the Peace to send Copies of Warrants to Clerks of Boards of Guardians in certain Cases.

IV. And be it enacted, That the Clerk to the Board of Guardians of every Union either wholly or in part contained within the several Counties to which such first-recited Act applies, upon the Receipt of the Precept of the Justices or of the Copy of the Warrant, as the Case may be, shall (so soon as the Sum stated therein shall have been paid in pursuance of the Precept or Warrant) compare the Amount of the County Road Rate assessed upon each Parish or other Place within his Union with the Amount of the last Assessment which shall have been allowed by the Justices for the Purpose of being levied in such Parish or Place for the Relief of the Poor out of which the said Sum shall have been paid, and shall ascertain the proportionate Amount in the Pound which such County Road Rate bears in reference to the whole Amount of the said Assessment, and shall forthwith transmit to the Overseers of such Parish or Place, or to the Assistant Overseers or Collectors, if any there be, a Statement of such proportionate Amount; and every such Clerk shall receive, for his Trouble therein such Compensation, out of the Monies to be raised by such County Road Rate, as the Justices at their General Quarter Sessions assembled shall deem fit.

Clerks of Boards of Guardians to ascertain the Proportion which the County Road Rate forms of the Poor Rate Assessment, and to give Notice thereof to Overseers.

V. And be it enacted, That the Overseers, Assistant Overseers, or Collectors shall, upon Receipt of such Statement as aforesaid, give and publish Notice, in like Manner as parochial Notices are usually given and published in such Parish or Place, of the proportionate Amount in the Pound of the County Road Rate so stated by the said Clerk to the Guardians; and the said Overseers, Assistant Overseers, or Collectors who shall be entitled to receive or shall have received the last Rate upon which the Proportion shall have been ascertained as aforesaid shall, upon Request of any Party who shall have paid any Rate contained in such Assessment, compute and certify in Writing the Sum which such Party has contributed to the County Road Rate out of the Sum so paid, according to the Proportion declared by the said Clerk as aforesaid; and such Certificate shall be signed by such Overseer, Assistant Overseer, or Collector; and the Sum therein stated to have been contributed to the County Road Rate shall, if correctly computed, be the Sum which the Occupier shall be empowered to deduct from the next Payment of his Rent, according to the Provisions of the said first-recited Act; and any Overseer, Assistant Overseer, or Collector who shall refuse to give any such Certificate as aforesaid, upon Demand of the Person entitled to receive the same, shall be liable to a Penalty not exceeding Twenty Shillings, upon Conviction before the Justices of the County in which the Parish shall be situated, to be recovered and applied as Penalties under the Act of the Fifth Year of the Reign of His late Majesty for the Amendment of the Laws for the Relief of the Poor.

Overseers to publish Notice of the Proportion so ascertained, and to give Certificates to Rate-payers of Amount of Road Rate paid by them.

VI. And be it enacted, That the said Clerk to the Guardians shall be empowered to call upon the Overseers, or other Persons having the Custody thereof, for the Rate or Rate Books, which he shall require for the Purpose aforesaid, as and when he shall so require them, giving reasonable Notice for the

Clerk to the Guardians empowered to call for Rate Books, &c.

the same; and every Person having the Custody thereof who shall wilfully neglect or refuse to allow him to have or inspect the same for such Purpose shall be liable to forfeit and pay a Sum not exceeding Five Pounds, upon Conviction before the Justices of the County in which the Parish shall be situated, to be recovered and applied as Penalties under the Act of the Fifth Year of the Reign of His late Majesty for the Amendment of the Laws for the Relief of the Poor.

Provision where a Parish does not form Part of a Union.

VII. And be it enacted, That in the Case of any Parish or Place not forming Part of any Union under the Laws relating to the Relief of the Poor, all the Acts, Matters, and Things hereby directed to be done and performed by the Clerk to the Board of Guardians shall, so far as the same are practicable, be done and performed in like Manner by the Overseers or other Persons empowered by Law to levy the County Rates, Police Rates, or other Rates in such Parish or Place for the Time being.

Rate already made declared valid, but to be collected according to this Act.

VIII. 'And whereas before the passing of this Act certain Rates have been made, and certain Sums of 'Money have been ordered by the Justices of certain of the said Counties, in Quarter Sessions assembled, 'to be levied and collected as and for County Road Rate, but by reason of the Difficulties before mentioned 'in carrying the said first-recited Act into operation the same could not be or have not been collected;' be it enacted, That such Rates shall be deemed to be good and valid, but the said Justices shall issue new Precepts or Warrants for the levying and collecting of the same, or such Parts thereof as shall not have been levied or collected, to the Guardians, Overseers, or other Persons empowered by Law to collect the same under the Provisions of the said secondly-recited Act and of this Act; and the Provisions and Regulations in this Act contained shall apply to the said last-mentioned Rates, in like Manner as to any Rates to be hereafter made.

Mode of measuring Roads in reference to clearing of Gates defined.

IX. 'And whereas by the said recited Act it is enacted, "that from and after the Repeal of the said 'Local Acts respectively, when any Toll shall have been once taken in respect of any Horse or other 'Animal not drawing, or of any Horse or other Animal drawing any Carriage or Vehicle at any Toll 'Gate or Bar within any of the said Counties, no Toll shall thereafter be taken in respect of the 'same Horse or other Animal, or in respect of the same Carriage or other Vehicle, on the same Day (to 'be computed from Twelve of the Clock of the Night to Twelve of the Clock in the next succeeding 'Night) for repassing through the same Gate or Bar, or for passing or repassing through any other 'Gate or Bar in the same County, within the Distance of Seven Miles from the Gate or Bar at which 'such Toll shall have been taken (such Distance measured along Turnpike Roads only), nor for passing 'or repassing through any Gate or Bar in any other of the said Counties adjoining within the Distance 'of Two Miles from the Gate or Bar at which such Toll shall have been taken, to be measured as 'aforesaid, along and in respect of Turnpike Roads within either of such Counties:" And whereas 'Doubts have arisen in what Manner and along what Description of Roads such Distances respectively 'ought to be measured, and whether Portions of Road within the Boundaries of Cities or Towns 'separately maintaining their own Roads, and also whether County Bridges and the Approaches thereto, 'and Ferries, ought to be included in or excluded from such Measurement;' for the Removal of such Doubts it is hereby declared and enacted as follows; (that is to say,)

Wherever there is a continuous Line of Turnpike Road between Two Turnpike Gates such Distances shall be measured along such continuous Turnpike Road:

A Turnpike Road shall be deemed to be continuous, for the Purpose of such Measurement, notwithstanding that any County Bridge or the Approaches thereto, or any Ferry, or any Roads within the Limits of any City or Town which may be maintained by any local Commissioners, or which may be separately maintained according to the Provisions of the said recited Act, may intervene so as to form Part of the Line of such continuous Turnpike Road between Two Gates; and in any such Case the Portions of Road upon or forming the Approaches to such County Bridge and such Ferry shall be included; but the Roads within the Limits of any such City or Town (if the same be a Market Town, but not otherwise,) shall be excluded from such Measurement.

Power to fill up Vacancies in County Roads Boards occasioned by Non-attendance.

X. And be it enacted, That if any Member of any County Roads Board shall absent himself from the Meetings of the said Board for the Space of Twelve Months continuously, the Justices of the Peace for such County shall, at any General Quarter Sessions held after the Expiration of such Period, elect and appoint another Person in the Room of such Member, in like Manner as if such Member had died or resigned.

Regulation of Roads of Presteigne Trust, situate in the County of Radnor, acting under 3 G. 4. c. xvi.

XI. 'And whereas certain Roads or Portions of Road included within the Powers of an Act passed 'in the Third Year of the Reign of His Majesty King *George* the Fourth, and intituled *An Act for 'continuing the Term and altering the Powers of Three Acts for repairing the Roads leading from* 'Ryeway *in the Parish of* Yaspole *in the County of* Hereford *to* Presteigne *in the County of* Radnor, '*and several other Roads therein mentioned in the said County of* Radnor *and in the Counties of* 'Hereford *and* Salop, are locally situated within the County of *Radnor*, and it is expedient that certain 'of the Regulations applicable to the other Roads within the said County should extend to and include 'the said first-mentioned Roads;' be it therefore enacted, That it shall and may be lawful for the Trustees acting under the Powers of the said recited Act to reduce the Tolls payable at any Turnpike Gate on any of such first-mentioned Roads situate within the said County to the Amounts specified in the Second Schedule to the said first-recited Act annexed, and thereupon to agree with the County Roads Board of the said County that all Turnpike Gates upon such first-mentioned Roads shall clear the Turnpike Gates upon Roads within the Jurisdiction of the said County Roads Board which may be situate within the Distance of Two Miles therefrom, and shall be cleared by such last-mentioned Turnpike Gates reciprocally, and in that Case such Distance shall be measured and computed according

to

to the Rules herein-before prescribed for the Measurement of Distances between Turnpike Gates for the Purposes of this and the said first-recited Act.

Compensation to be made to Trustees of Presteigne Trust.

XII. 'And whereas some Diminution of Tolls may by reason of this Act be occasioned to the Trustees 'acting under the Provisions of the last-recited Act, and it is reasonable that Compensation should be 'made to them for the same;' be it enacted, That it shall be lawful for the County Roads Board of the County of *Radnor* to agree with the said Trustees for the Payment to them and their Successors of such annual Sum, to be paid at such Times and in such Manner as shall be determined and specified by such Agreement, and such Agreement shall be valid and effectual in Law; provided that such Payment as aforesaid shall always be made out of the County Roads Fund of the said County, and shall form a Charge upon such County Roads Fund next in order after the Annuity payable to the Public Works Loan Commissioners, and prior to all other Charges upon the same.

Certain Parts of the Road near Swansea to be in future under the Management of the County Roads Board of Glamorgan.

XIII. An Act to amend an Act for the Registration, Incorporation, and Regulation of Joint Stock Companies. [22d *July* 1847.]

'WHEREAS by an Act passed in the Session of Parliament holden in the Seventh and Eighth Years of the Reign of Her present Majesty, intituled *An Act for the Registration, Incorporation, and Regulation of Joint Stock Companies*, it is amongst other things enacted, that on the complete Registration of any Company being certified in the Manner prescribed in the said Act it shall be lawful for such Company, amongst other things, to purchase and hold Lands, Tenements, and Hereditaments in the Name of such Company, or of the Trustees or Trustee thereof, for the Purpose of occupying the same as a Place or Places of Business of the said Company, and also (but nevertheless with a Licence, general or special, for that Purpose, to be granted by the Committee of Privy Council for Trade, first had and obtained,) such other Lands, Tenements, and Hereditaments as the Nature of the Business of the Company may require: And whereas Doubts have in certain Cases arisen as to the Meaning of the said Provision, and it is expedient that such Doubts should be removed, and that further Provision should be made as to the granting of such Licences as aforesaid by the said Committee of Privy Council:' Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That whenever any Company, having obtained a Certificate of complete Registration under the said Act, is desirous of purchasing or holding, taking on Lease, holding on Mortgage, or in any other Manner acquiring an Interest such as Bodies Politic or Corporate are by Law incapacitated from acquiring in any Lands, Tenements, or Hereditaments, other than such as it is under said Act entitled to purchase and hold, as a Place or Places of Business, it shall be lawful for such Company to make Application to the Lords of the said Committee of Privy Council for Trade for a Licence to purchase, take, or hold the same; 7&8 Vict. c. 110.

Any Company, having obtained Certificate of complete Registration, being desirous of holding Lands, may apply to

the Board of Trade for a Licence, who may, if they see fit, grant the same.

same; and the Lords of the said Committee shall thereupon take such Application into their Consideration, and may, if they see fit, grant a Licence to such Company accordingly; and in such Licence the Lords of the said Committee may either authorize such Company to purchase, take, and again let, sell, or otherwise dispose of such Lands, Tenements, or Hereditaments as may in the Licence be particularly described, and to hold the same for such Time as may be specified in such Licence, or in any Licence to be subsequently and from Time to Time granted by the said Committee of Privy Council for Trade on the Application of such Company, or may authorize them from Time to Time to acquire, dispose of, and again acquire such Lands, Tenements, or Hereditaments as the Company may from Time to Time desire, or may authorize them to hold Lands, Tenements, or Hereditaments on Mortgage, and may frame such Licence in such Manner, and insert in the same such Conditions, as with reference to the special Circumstances of each Case they may deem expedient; and such Licence shall be held to confer upon such Company the Rights and Powers therein expressed to be given in respect of purchasing, holding, and disposing of Lands, Tenements, or Hereditaments as aforesaid.

Accounts of Licences, Renewals, Extensions, &c. to be annually laid before Parliament.

And be it enacted, That there shall be presented to both Houses of Parliament in each Year, within Fourteen Days after the Commencement of the Session, an Account of the several Licences and Renewals or Extensions of Licences, so granted by the Committee of the Privy Council for Trade, specifying the Nature and Extent of the Powers contained in each of such Licences, and of the Lands so authorized to be held, and also, in the Case of any Renewal or Extension of such Licences, an Account of the Extent of Land actually held by the Company at the Time of such Renewal or Extension, and the Counties within which such Lands are situate.

Licences granted before passing of this Act deemed valid for the Purposes therein expressed.

III. 'And whereas certain Licences have from Time to Time been granted by the Lords of the said 'Committee in pursuance of the said Act;' be it enacted, That in case any Doubt arise as to the Effect thereof it shall be held that any Licence so granted before the passing of this Act is valid and effectual for the Purposes therein expressed, and shall be deemed sufficient Evidence that the Lands, Tenements, or Hereditaments therein described or referred to, or which have been purchased, taken, held, or disposed of under the Authority thereof, are such as the Nature of the Business of the Company requires.

So much of recited Act as requires the Return to the Office for Registration of Joint Stock Companies of a Copy of every Prospectus, &c. repealed.

Certain additional Particulars required to be returned to the Office for Registration of Joint Stock Companies.

V. And be it enacted, That in addition to the Particulars which the Promoters of every such Company as aforesaid are by the said Act required to return to the said Office for the Registration of Joint Stock Companies, when and as from Time to Time they shall be decided on, such Promoters shall also return, and they are hereby required to return, to the said Office, the following additional Particulars, so soon as the same shall be decided on; (that is to say,)

If any Alterations are made in Particulars registered, they shall be returned to the Registrar, under a Penalty.

VI. And be it enacted, That in case of any Alteration being made in any of the Particulars registered by the Promoters of any Company in pursuance of the said recited Act or of this Act, such Alteration shall forthwith be returned to the Registrar of Joint Stock Companies; and if such Return be not made within One Month after such Alteration has been made and decided upon, any Promoter of the Company shall be liable to forfeit for each and every Alteration not returned as aforesaid any Sum not exceeding Twenty Pounds.

Penalty on Promoters issuing, at any Time before complete Registration, any Prospectus, &c. containing Statement at variance with Particulars returned under recited Act.

CAP. LXXIX.

An Act to continue for a limited Time the Provisions for summary Proceedings contained in an Act of the last Session to amend the Acts for promoting the Drainage of Lands, and for other Purposes; and to amend the said Act. [22d *July* 1847.]

'WHEREAS an Act was passed in the Session held in the Fifth and Sixth Years of the Reign of Her present Majesty, intituled *An Act to promote the Drainage of Lands, and Improvement of Navigation and Water Power in connexion with such Drainage, in* Ireland: And whereas the said Act was amended by an Act passed in the Eighth and Ninth Years of the Reign of Her present Majesty, intituled *An Act to amend an Act of the Sixth Year of Her present Majesty, for promoting the Drainage of Lands, and Improvement of Navigation and Water Power in connexion with such Drainage, in* Ireland; and also by an Act passed in the Ninth Year of the Reign of Her present Majesty, intituled *An Act to amend the Acts for promoting the Drainage of Lands, and Improvement of Navigation and Water Power in connexion with such Drainage, in* Ireland, *and to afford Facilities for increased Employment for the Labouring Classes in Works of Drainage during the present Year:* And whereas by the last-mentioned Act, after referring to the Failure or Destruction of a Portion of the Potato Crop of the then last Year in *Ireland*, and to the Distress which might thereby prevail among the Labouring Classes in certain Districts, and to the Expediency of giving for Part of the then present Year increased Facilities for various Works of Utility connected with the Drainage and Improvement of Lands in such Districts, it was enacted and declared, that the Provisions therein-after contained should be called and deemed to be "Provisions for summary Proceedings" under the said Act, and that no Work should be undertaken or commenced under such Provisions for summary Proceedings as to the Execution of which Work the Assents of the Proprietors of Lands, as required by the Provisions of the said Act therein-before contained, should not have been given or obtained before the First Day of *August* in the Year One thousand eight hundred and forty-seven; and by the same Act it was therein-after provided, that the Commissioners for the Execution of the same should, as therein mentioned, ascertain that the Assent in Writing of the Proprietors, as defined in the said first-recited Act, with the Consent of the Tenants, if any, (as by the said Act required in that Behalf,) of more than One Half in Extent of the Lands to be drained or improved, should have been given to the proposed Works: And whereas, by reason of the Destruction of a large Portion of the Potato Crop of last Year in *Ireland*, it is expedient, for the Purposes of affording increased Facilities for Employment, to continue for a limited Time the aforesaid Provisions for summary Proceedings, amending the same as herein-after mentioned:' Be it enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That notwithstanding anything contained in the said last-mentioned Act it shall be lawful to commence or undertake, under the Provisions for summary Proceedings in the same Act contained, any Works by such Provisions authorized as to the Execution of which Works the Assents of the Proprietors of Lands as required by the same Act (subject to the Provisions of this Act) shall be given or obtained at any Time before the Termination of Twelve Months from the passing of this Act, or before the End of the then next Session of Parliament, but no later; and that all the said Provisions for summary Proceedings shall be valid and effectual accordingly for the Purposes of Works to be commenced or undertaken under the Provisions of this present Act. Provisions for summary Proceedings continued for One Year, &c.

II. 'And whereas under the Provisions of the first-recited Act and the Acts amending same it was enacted, amongst other things, that where any Portion of Land proposed to be drained or improved by Drainage should, at the Time appointed for the giving such Assent as therein mentioned by the Proprietors of the Land to the Execution of the proposed Works, be in the actual Occupation of any Person under any Grant, Lease, or Agreement in Writing for a Lease for a Life or Lives, or for a Term of Years whereof more than Fourteen Years should be unexpired, the Consent in Writing of such Person should be necessary in order to give Validity to the Assent of the Proprietor in respect of the Lands comprised in such Grant, Lease, or Agreement: And whereas great Delay in consequence of such Provision has arisen in the Commencement of the Works under said Acts without any commensurate Advantage to the Parties interested, and, in order to increase the Facilities for affording Employment, it is expedient to amend the same;' be it enacted, That notwithstanding any thing in the said recited Acts or any of them contained, no Consent of any Person in the actual Occupation of any Land under any Grant, Lease, or Agreement in Writing for a Lease for a Life or Lives or for a Term of Years whereof more than Fourteen Years shall be unexpired to the Execution of the proposed Works under the Provisions of the said recited Acts, or any of them, shall be necessary in order to give Validity to the Assent of the Proprietor in respect of the Lands comprised in such Grant, Lease, or Agreement. Assent of Proprietors valid without the Concurrence of Occupiers.

III. 'And whereas by the said Act of the Ninth Year of Her Majesty's Reign it was also enacted, that in all Cases where for the Purposes of Navigation connected with Drainage a free Grant of a Where under recited Acts a free Grant of a

Moiety or more of the Cost of any Navigation shall be made, the Residue of the Cost to be charged upon the Districts benefited, without previous Presentment.

'Moiety or more of the Expence of making or improving any such Navigation should be made under 'the Authority of Parliament, and the other Moiety or Residue of the Expence of making or improving 'such Navigation should be raised or advanced by way of Loan under the Provisions of the said herein- 'before recited Acts, or of the Act now reciting, then such Moiety or Residue so raised or advanced 'should, with Interest from the Date of such Loan, be charged upon the District which by the Declara- 'tion to be made in such Case by the Commissioners in the said Act mentioned, under the Provisions of 'the said first-recited Act, it should be declared would be benefited by the making or improving of 'such Navigation, and the several Baronies, Half Baronies, and Townlands in such District, and should 'be repaid by and levied from such Baronies, Half Baronies, and Townlands in the Proportions in which 'it should be so declared that such Baronies, Half Baronies, and Townlands would be respectively 'benefited, in One Sum, or by Instalments, under and subject to the several Provisions and Regulations 'in the said therein recited Acts or the Act now reciting contained in relation to the Levy and Recovery 'of any Sums which, under the final Award of the said Commissioners, should be payable by the Grand 'Jury of any County in respect of the Improvement of the Navigation of any River: And whereas it 'is expedient to explain and confirm the Provision last herein-before recited, and to make such further 'Provisions as are herein-after contained;' be it enacted and declared, That notwithstanding any thing in the herein-before recited Acts contained, in all Cases where, for the Purposes of Navigation connected with Drainage, a free Grant of a Moiety or more of the Expences of making or improving any such Navigation shall be or shall have been made by the Authority of Parliament, and the other Moiety or Residue of the Expence of making or improving such Navigation shall be or shall have been raised or advanced by way of Loan, under the aforesaid Provisions, then such Moiety or Residue so raised or advanced shall, as by the last-recited Act provided, be charged upon the District therein mentioned, and the several Baronies, Half Baronies, and Townlands in such District, and shall be repaid by and levied from such Baronies, Half Baronies, and Townlands, as by the said Act provided, without any Declaration of the Justices and associated Cess-payers, and without any Presentment previously made by the Grand Jury of the County or any of the Counties wherein such District as aforesaid shall be situate; and in all such Cases all Proceedings hitherto taken by or before the Commissioners for the Execution of the said Acts, under the said last-recited Provision, and all Loans, if any, made to them, and all Securities given by them for the same, under such Provision, shall be valid and effectual, notwithstanding any Omission or Defect as regards any such Declaration or Presentment as aforesaid.

Publication in Dublin Gazette Evidence of Publication of final Notice.

IV. And be it enacted, That the Publication in the *Dublin Gazette* as by the said recited Acts directed of any final Notice heretofore given or hereafter to be given under the Provisions and for the Purposes of the said recited Acts or this Act, or any of them, shall be deemed conclusive Evidence of the due Publication of such final Notice.

Construction of Act.

V. And be it enacted, That the said recited Acts and this Act shall be construed together as One Act, and the several Words and Expressions to which an extended Signification is given in the said recited Acts, or any of them, shall have the like Signification in this Act.

Act may be amended, &c.

VI. And be it enacted, That this Act may be amended or repealed by any Act to be passed in this Session of Parliament.

CAP. LXXX.

An Act to amend an Act of the last Session for facilitating the Employment of the labouring Poor in the distressed Districts in *Ireland*, so far as relates to Compensation for Damages.

[22d *July* 1847.]

9 & 10 Vict. c. 107. 10 & 11 Vict. c. 10.

'WHEREAS an Act was passed in the last Session of Parliament, intituled *An Act to facilitate the 'Employment of the labouring Poor for a limited Period in the distressed Districts in* Ireland: 'And whereas another Act was passed in the present Session of Parliament, intituled *An Act to render 'valid certain Proceedings for the Relief of Distress in* Ireland, *by Employment of the labouring Poor, 'and to indemnify those who have acted in such Proceedings:* And whereas under the Provisions of the 'said Acts the Commissioners of Public Works in *Ireland* were authorized to execute the Works therein 'provided to be executed for the Relief of the Poor, and for that Purpose, by themselves and their Officers 'and Persons employed by them, to take and acquire any Ground that might be necessary for the making 'of such Works, Satisfaction being rendered to the Proprietors or Occupiers in the Manner by the said 'first-recited Act provided: And whereas under the Provisions of the said recited Acts the Cost of 'executing such Works (save Works of Drainage and Subsoiling in the said secondly-recited Act men- 'tioned) were directed to be charged upon the respective Baronies, Half Baronies, Electoral Divisions, 'or Parts of Electoral Divisions, Districts, Counties of Cities, or Counties of Towns, as the Case may be, 'for which such Works were presented, and to be levied in like Manner as Poor Rate, and it is expedient 'that the Compensation for Damages caused by taking of Land for the Execution of such Works should 'be charged upon the same respective Places, and in the same Manner respectively: And whereas, owing 'to the great Extent of the Failure of the Potato Crop, and the Number of such Works required to be 'executed for the Employment of the Poor, the Compensation claimed for Damages is likely to amount to 'a considerable Sum, and it is therefore expedient to make other Provision for the Levy and Payment 'thereof than is by the said first-recited Act provided, and to empower Grand Juries, if they shall so think 'fit, to postpone such Levy and Payment for a limited Time:' Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons,

mons, in this present Parliament assembled, and by the Authority of the same, That after the passing of this Act it shall be lawful for the Grand Jury of any County, County of a City, or County of a Town, at the Summer Assizes of this Year, in Cases of Claims for Compensation for Damages to any Land or Premises taken or occupied for the Purpose of any Works under the Provisions of the said recited Acts, to postpone the making of Presentments in such Cases as to them shall seem expedient, from the said Summer Assizes to the Spring Assizes of the Year One thousand eight hundred and forty-eight, at which last-mentioned Assizes it shall be lawful for the Grand Jury to make Presentment for such Damages in Cases where the Amount of the same shall have been determined on the Trial of Traverses at the said Summer Assizes pursuant to the said recited Acts, without further Notice or Trial, in the same Manner as such Presentments could be made at the said Summer Assizes; and in all other Cases of Claims for such Damages where Presentments shall not have been made as hereby last authorized, or at such Summer Assizes, or, in the Case of the County of *Dublin* at the Presenting Term of this Year (whether or not Application shall have been made for such Damages at such Summer Assizes or Presenting Term), it shall and may be lawful for the respective Persons claiming such Compensation for Damages to any Land or Premises in respect of which Certificates shall have been given by the proper Officers of the said Commissioners of Public Works, or the County Surveyor, as the Case may be, under the Provisions of the first-recited Act or this Act, upon giving such Notice as in the said first-recited Act required, to make any such Application to the Grand Jury, or to enter any such Traverse for Damages, and for the respective Grand Juries to present for such Damages at the Spring Assizes or Presenting Term, as the Case may be, of the Year One thousand eight hundred and forty-eight, but not at any subsequent Assizes or Presenting Term, unless some Order of the Court shall be made at such Spring Assizes or Presenting Term for the Adjournment of any such Application, Traverse, or Presentment respectively, the Sums so presented to be paid in the Manner herein-after mentioned; and such Applications, Traverses, or Presentments, and the several Matters relating to the same, shall be subject to like Provisions as in the said first-recited Act contained as such Provisions are amended by this Act: Provided always, that the Claims of the several Parties interested in the same Premises, and claiming such Compensation, shall, so far as conveniently may be, be heard, considered, or tried together.

Grand Jury may postpone Traverses, &c. for Damages under the recited Acts not already tried to the Spring Assizes 1848.

II. And be it enacted and declared, That Applications for Compensation as aforesaid, and Traverses for Damages, may be made, entered, or presented for in respect of Damages caused by the taking of Land for Works executed under the Provisions of the said secondly-recited Act (save Works of Drainage and Subsoiling as aforesaid) in like Manner as in the Case of Works executed under the Provisions of the said first-recited Act; provided that Certificates shall be obtained from the respective Officers of the said Commissioners of Public Works or the County Surveyor, as the Case may be, pursuant to the Provisions of the said first-recited Act as amended by this Act.

Provisions as to Compensation for Damages to apply to Works under secondly-recited Act.

III. And be it enacted, That, any thing in the said first-recited Act to the contrary notwithstanding, any Certificate of the Amount of Damage sustained, or of other Matters in the said Act specified and therein required to be given, by the Officer or County Surveyor by whom any such Works shall have been or shall be executed, may be given by any Officer of the said Commissioners of Public Works by them appointed for that Purpose, and that in such Certificate the total estimated Amount of the Damage or Injury done to all Parties interested in the same Premises may be stated, the Officer making due Allowance in fixing such Amount for any Advantages conferred by such Work upon such Parties: Provided always, that nothing herein or in the said recited Acts contained shall be construed to prevent the Grand Jury, or any Jury before whom such Claim shall be tried upon a Traverse, from increasing or lessening the Amount of Compensation mentioned in such Certificate.

Certificates from Officers of the Board of Works.

IV. CAP. LXXXVII.

An Act to facilitate the Recovery of Public Monies advanced for the Relief of Distress in *Ireland* by the Employment of the labouring Poor. [22d *July* 1847.]

'WHEREAS an Act was passed in the last Session of Parliament, intituled *An Act to facilitate the Employment of the labouring Poor for a limited Period in the distressed Districts in* Ireland, and by the said recited Act Provisions were made for the holding of Extraordinary Presentment Sessions in certain Districts in *Ireland*, and authorizing them to make Presentments for Public Works within the Districts for which such Sessions were held, and authorizing the Commissioners of Public Works in *Ireland*, with the Approval of the Commissioners of Her Majesty's Treasury, and also authorizing the Commissioners of Her Majesty's Treasury, to advance Public Monies in the Manner in the said recited Act directed, for the Execution of such of the said Public Works or such Parts thereof as should be approved as in the said Act required, and providing that the said Commissioners of Public Works should cause the Execution of such Works; and it is by the said recited Act enacted, that the Monies from Time to Time to be advanced, pursuant to the Provisions of the said Act, by the Commissioners of Her Majesty's Treasury, for the Execution of any Works under the said Act, in any County, County of a City, or County of a Town, shall be repaid by Grand Jury Presentments, by half-yearly Instalments, not less than Four and not exceeding Twenty in Number, as the Commissioners of Her Majesty's Treasury shall direct, with Interest at the Rate of Three Pounds Ten Shillings *per Centum per Annum*, and to be raised and levied in the Manner therein-after mentioned off the respective Baronies or Half Baronies, County of a City, or County of a Town in respect whereof the Works shall have been presented; and it is also thereby enacted, that any Sum of Money so to be raised and levied shall be charged upon and applotted, raised, and levied upon and from the Occupiers of and other Persons rateable in respect of Lands and Hereditaments within such Barony, Half Barony, County of a City, or County of a Town respectively, and rated under the then last preceding Rate or Rates made or from Time to Time made in respect of the same under the Provisions of an Act of the First and Second Years of Her present Majesty, intituled *An Act for the more effectual Relief of the destitute Poor in* Ireland, and any Act amending the same, and shall be payable by the respective Rate-payers in manner in the said recited Act provided: And whereas an Act was passed in the present Session of Parliament, intituled *An Act to render valid certain Proceedings for the Relief of Distress in* Ireland *by Employment of the labouring Poor, and to indemnify those who have acted in such Proceedings*, whereby, after reciting the said first-recited Act, and that by reason of the great Increase of Distress in *Ireland* it became necessary to provide further Means of employing the labouring Poor, and reciting that certain of the Proceedings had in relation to Presentments made at Sessions held under the said first-recited Act were not in strict Conformity with the Provisions of the said first-recited Act, it is amongst other things enacted, that such Proceedings should in certain Cases be made valid; and further, that Presentments made at Presentment Sessions after the Fifth Day of *October* One thousand eight hundred and forty-six of Works, other than Works of Drainage and Subsoiling, to be executed in the several Electoral Divisions or Parts of Electoral Divisions within the Barony, Half Barony, County of a City, or County of a Town for which such Sessions shall have been held, should be rendered valid; and that any Sum of Money mentioned in any Presentment made at any such Sessions held after the Fifth Day of *October* then last, and before the passing of the said Act, or so much thereof as has been or shall be expended in or about the Works executed or to be executed under such Presentments, shall be charged upon the Barony, Half Barony, County of a City, or County of a Town for which such Sessions were held, or upon the Electoral Division, or Part thereof, situate within such Barony, Half Barony, County of a City, or County of a Town respectively, within which such Work shall have been or shall be executed, as shall be determined by the Commissioners of Public Works, by an Instrument under the Hands and Seals of any Two of them, subject to such Appeal to the Lord Lieutenant, and to such Determination of the Lord Lieutenant thereupon, as in the said Act is provided, and Provision is thereby made for levying such Monies accordingly: And whereas the Failure of the Potato Crop in *Ireland* was more general and caused a greater Amount of Destitution than was anticipated at the Time of the passing of the said first-recited Act, so that in consequence thereof Famine prevailed in many Parts of *Ireland*, and large Sums of Public Money have been advanced by the Commissioners of Her Majesty's Treasury under and for the Purposes of the said recited Acts, and it is expedient that, save as herein-after provided, the Repayment of one Moiety of the said Public Monies advanced as aforesaid, and expended in manner aforesaid for the Relief of such Distress should, notwithstanding any thing in the said recited Acts, be remitted: And whereas it is also expedient to make further Provision for the Levy and Collection of the other Moiety of the said Sums so advanced and expended, with the Interest thereon, in manner herein-after mentioned:' Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That the Commissioners of Public Works in *Ireland* shall, before the Spring Assizes in the Year One thousand eight hundred and forty-eight, and in the Case of the County of *Dublin* before the Presenting Term of the said Year, ascertain and certify to the Commissioners of Her Majesty's Treasury the total Sums of Public Money advanced and expended within each County, County of a City, and County of a Town in *Ireland*, in each Barony, Half Barony, Electoral Division, Part of an Electoral Division, or District thereof, (as the Case may be,) in

One Moiety of such Sums to be a free Grant from the Consolidated Fund.

II. And be it enacted, That one Moiety of the total Sums so ascertained, and certified to the Commissioners of Her Majesty's Treasury to have been expended under the Provisions of the said Acts or either of them, shall be deemed to be a Grant from the Consolidated Fund of the United Kingdom of *Great Britain* and *Ireland*, and shall not be liable to be repaid thereto, any thing in the said recited Acts to the contrary notwithstanding.

An Annuity of Twelve Pounds per Centum per Annum to be paid for Ten Years, in Twenty Instalments, to repay Moiety with Interest.

IV. 'And whereas it is expedient that the compound Sums of Principal and Interest so ascertained as 'last aforesaid should, with the Interest to accrue during their Repayment, be discharged and paid by 'equal Instalments by way of Annuity;' be it therefore enacted, That for every Sum of One hundred Pounds of each such compound Sum there shall be paid as herein-after provided an Annuity of Twelve Pounds, and so in proportion for any lesser Sum during the Period of Ten Years, and such Annuity shall be charged upon the Barony, Half Barony, Electoral Division, Part of an Electoral Division, District, County of a City, or County of a Town, (as the Case may be,) in respect of which the said Commissioners shall as herein-after provided certify the same to be due, and such Annuity shall be payable by Two Instalments each Year, One such Instalment at each successive Assizes, until Twenty Instalments shall have been paid, and the first of the same being payable at the Summer Assizes in the Year One thousand eight hundred and forty-eight: Provided always, that in the Case of the County of *Dublin* such Instalments shall be payable at the successive Periods limited for the Payment of the respective Moieties of Grand Jury Cess for such County, the first of such Instalments being paid at the Period limited for the Payment of the first Moiety of such Grand Jury Cess after the presenting Term of the Year One thousand eight hundred and forty-eight; provided also, that the whole of any such compound Sum chargeable upon any Barony, Half Barony, Electoral Division, Part of an Electoral Division, District, County of a City, or County of a Town, as the Case may be, may be paid off at One Payment, in any Case where the Grand Jury shall think fit to make a Presentment for that Purpose, as herein-after provided.

CAP. CXIV.

An Act for improving the Harbour and Docks of *Leith*. [23d *July* 1847.]

1 & 2 Vict. c. 55.

'WHEREAS by an Act passed in the Second Year of the Reign of Her Majesty, intituled *An Act to regulate and secure the Debt due by the City of* Edinburgh *to the Public; to confirm an Agreement between the said City and its Creditors; and to effect a Settlement of the Affairs of the said City and the Town of* Leith, it was provided, that the Commissioners acting under the Authority of that Act, afterwards incorporated by the Style of "The Commissioners of the Harbour and Docks of *Leith*," should pay annually, out of the Revenues of the said Harbour, in preference to all other Payments, the Sum of Seven thousand six hundred and eighty Pounds, to be applied in the Manner therein mentioned;

'mentioned; and it was also provided, that the annual Sums for defraying the Expence of the Maintenance and Repairs of the said Harbour and Docks, the Expence of dredging the said Harbour, and every other Item of Expence known or which could be anticipated as in anywise necessary to be incurred or paid by the said Commissioners in relation to the said Harbour and Docks, should not exceed such Sums as should be considered and approved of by the Commissioners of Her Majesty's Treasury, except in the event of any unforeseen Damage arising to the Works of the said Harbour or Docks through Storm or Accident, for the Repair of which special Provision was therein made: And whereas the said Commissioners were thereby authorized, with the Consent and Approbation of the said Commissioners of the Treasury, to borrow, upon the Security of the said Harbour and Docks, and Revenue thereof, and Property therewith connected, any Sum or Sums of Money necessary to be expended on the Improvement, Alteration, or Enlargement of the said Harbour or Docks, or for the Accommodation of the Shipping resorting to the same, not exceeding in all the Sum of One hundred and twenty-five thousand Pounds, and to grant Securities therefor over the whole Rates, Duties, and Revenues of the said Harbour and Docks and other Property therewith connected, which, being sanctioned by the Commissioners of the Treasury as aforesaid, should be preferable and have Priority over all other Debts and Securities affecting the said Harbour and Docks, Revenue and Property, excepting the said annual Sum of Seven thousand six hundred and eighty Pounds, and the said annual Sums for Repairs and Expences of Management to be sanctioned and allowed as aforesaid; and it was thereby further provided, that after the Payment of the said Sum of Seven thousand six hundred and eighty Pounds, and the Amount of the Expences of the Establishment to be allowed by the said Commissioners of Her Majesty's Treasury as aforesaid, and the Interest of any Sum which might be borrowed with the Approbation of the said last-mentioned Commissioners as aforesaid, the whole surplus Revenue arising from the said Harbour and Docks should annually, within Twenty-one Days after the Term of *Whitsunday* in each Year, be by the said Harbour and Dock Commissioners paid to the Remembrancer of Her Majesty's Court of Exchequer in *Scotland*, to be remitted to Her Majesty's Treasury; and if the Sum so remitted should exceed in Amount the Sum necessary to pay the Interest of the said Debt due to Her Majesty, so far as not postponed, the Excess should go and be imputed *pro tanto* in extinction of the Principal of the said Debt: And whereas the Commissioners of Her Majesty's Treasury were thereby also empowered to forego, for such Time as they should think fit, the Exaction in whole or in part, of the Interest to become due upon the Amount of the Debt which should remain owing after Deduction of the Charges or Burdens thereby rendered preferable to the said Debt due to Her Majesty: And whereas since the passing of the said Act the Revenue arising from the said Harbour and Docks has been more than sufficient to defray the said annual Charge of Seven thousand six hundred and eighty Pounds, and the Amount of the Expences of the Establishment annually allowed by the Commissioners of Her Majesty's Treasury, but no Part of such surplus Revenue has been paid to the Remembrancer of Her Majesty's Court of Exchequer in *Scotland*, as provided by the said Act, but the same has been allowed to accumulate in the Hands of the Commissioners of the said Harbour and Docks, with the Exception of a Sum of Sixteen thousand and seventy-seven Pounds, which, under the Sanction of the Commissioners of Her Majesty's Treasury, has been applied to the Completion of the Eastern Pier, which was in an imperfect and dangerous Condition, upon the Understanding that the Sum so expended should be deemed Part of the Sum of One hundred and twenty-five thousand Pounds which the Commissioners of the said Harbour and Docks were empowered by the said Act to borrow, and should be replaced out of the First Instalment of the Loan: And whereas a Plan has been prepared, and approved by the Commissioners of Her Majesty's Treasury, for the Improvement of the said Harbour and Docks, at an estimated Cost of One hundred and thirty-five thousand Pounds; and it is expedient, for the better Security of the Debt due to Her Majesty from the said Commissioners, that the said Commissioners for the Harbour and Docks of *Leith* should be empowered, with the Approval of the Commissioners of Her Majesty's Treasury, to appropriate the surplus Revenue which may remain after Payment of the said annual Sum of Seven thousand six hundred and eighty Pounds, and the Amount of the Expences of the Establishment, to be allowed as aforesaid, toward the Expence of executing such Improvements in the said Harbour and Docks as have been or shall be sanctioned by the Commissioners of Her Majesty's Treasury, and that during the Execution of the said Works and Improvements; and that, until Repayment of any Monies which may be borrowed for the Purpose, and under the Power herein-before recited, no Claim be made on the Part of Her Majesty for the Principal Sum or Interest accruing due upon the Debt now due to Her Majesty, and preferably secured on the Revenues and Property of the said Harbour and Docks; and that the Amount at which the said Debt is to be henceforth taken be declared in this Act:' Be it enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That the Debt to Her Majesty from the Commissioners for the Harbour and Docks of *Leith* at the Term of *Whitsunday* in the Year One thousand eight hundred and forty-seven, including all Arrears of Interest due to that Term, shall be taken at the Sum of Two hundred and twenty-eight thousand three hundred and seventy-four Pounds Nine Shillings and Eight-pence, which was declared by the said Act to be the Amount of the Debt due to Her Majesty by the said Commissioners at the Time of the passing of the said Act.

Debt of the Commissioners of Leith Harbour taken at 228,374*l.* 9*s.* 8*d.*

II. And be it enacted, That the Expenditure of the said Sum of Sixteen thousand and seventy-seven Pounds upon the Improvement of the East Pier of the said Harbour, out of the surplus Profits of the said Harbour and Docks, heretofore made as aforesaid, with the Approval of the Commissioners of Her Majesty's

Expenditure of 16,077*l.* on the East Pier ratified.

Majesty's Treasury, shall be ratified and declared lawful; and the Commissioners for the Harbour and Docks of *Leith* shall not be required to give any further Account of the same, or to replace the Monies so expended out of any Monies which shall be hereafter borrowed, under the Power for that Purpose contained in the said Act, for or toward the Expence of the said Improvements, and that all Persons shall be indemnified and held harmless against all Proceedings, at the Suit of Her Majesty or otherwise, for or on account of such Expenditure.

Treasury may allow Commissioners of Harbour and Docks to apply surplus Profits to improving the same.

III. And be it enacted, That the Commissioners of Her Majesty's Treasury shall be empowered to allow the Commissioners of the Harbour and Docks at *Leith* to appropriate the whole Monies now in the Hands of the last-mentioned Commissioners, or which may hereafter accrue to them, from the surplus Revenue of the said Harbour and Docks, or such Part thereof as the Commissioners of Her Majesty's Treasury from Time to Time shall think fit to allow for that Purpose (after Payment of the said annual Sum of Seven thousand six hundred and eighty Pounds, and the Expence of the Establishment, and any extraordinary Expence which may be necessary in the event of any unforeseen Damage arising to the Works of the said Harbour or Docks through Storm or Accident), toward the Expence of carrying into execution the said Plan, with such Alterations, Additions, or Omissions as shall be from Time to Time sanctioned by the Commissioners of Her Majesty's Treasury.

Certain Clauses of 8 & 9 Vict. c. 17. as to borrowing Money incorporated with this Act.

IV. And be it enacted, That when any Money shall have been borrowed by the said Commissioners for the Harbour and Docks of *Leith*, on Bond, as aforesaid, with the Approval of the Commissioners of Her Majesty's Treasury, the Clauses of the Companies Clauses Consolidation (*Scotland*) Act, 1845, with respect to the borrowing of Money by the Company on Mortgage or Bond, so far as applicable to such Bonds, shall be incorporated with this Act, and the said Commissioners for the Harbour and Docks of *Leith* shall be deemed the Company referred to by the last-mentioned Act, and the said Clauses shall be otherwise interpreted as in and by the last-mentioned Act is provided.

Act may be amended, &c.

V. And be it enacted, That this Act may be amended or repealed by any Act to be passed in this Session of Parliament.

'*Act*, 1845, *and to authorize the Application of certain Rates in aid of the Improvements*, it is enacted, 'that the Proviso in the said last-recited Act contained, that no Part of the said Sum of Thirty-nine 'thousand Pounds, or the Interest thereof, shall be paid to the Commissioners under the said Act until 'the new Street and Communication thereby authorized to be made shall have been actually made and 'completed to the Satisfaction of the Lord High Treasurer or the Commissioners for the Time being of 'Her Majesty's Treasury, shall be and the same is thereby repealed; provided always, that no Part of 'the said Sum of Thirty-nine thousand Pounds, or the Interest thereof, shall be paid to the said 'Commissioners before and until they shall have expended the full Sum of Seventy-five thousand 'Pounds solely and exclusively in making and forming the new Street intended to be called *Victoria* '*Street*, and in purchasing the Lands and Hereditaments within the Area of the Line of the said Street '(and as little beyond such Area as the Boundaries of the respective Properties will allow) necessary or 'convenient for that Purpose, and in Payment of Expences strictly and exclusively contingent upon such 'Purchases not exceeding Twelve Pounds *per Centum* on the Sums expended, and shall have produced 'Evidence of the due Expenditure of the said Sum of Seventy-five thousand Pounds to the Satisfaction 'of the Commissioners of Her Majesty's Woods, Forests, Land Revenues, Works, and Buildings, 'to be certified in Writing under the Hands of any Two of them, and shall have also deposited and 'left with the said last-mentioned Commissioners the Deeds of Conveyance and Muniments of Title 'relating to the Lands and Hereditaments purchased with the said Sum of Seventy-five thousand Pounds, 'or any Part thereof, such Deeds and Muniments of Title to be held and retained by the said last-'mentioned Commissioners until the said Street intended to be called *Victoria Street* shall have been 'wholly completed and opened to the Public to the Satisfaction of Her Majesty's said Commissioners, in 'the Manner mentioned or provided in and by the said Improvement Act lastly herein-before recited 'of and concerning the Street thereby authorized to be made; and it is by the said Act now in recital 'further enacted that the Commissioners shall half-yearly, in the Month of *January* and the Month of '*July* in every Year, until the several Improvements and new Streets by the Improvement Act and the 'Act now in recital authorized to be made are fully made and completed in manner prescribed in the 'said Acts respectively, report to Her Majesty's Commissioners the Progress made by the Commis-'sioners from Time to Time in the Execution of such Improvements and new Streets respectively, and 'also at the same Time render to Her Majesty's Commissioners full and true Accounts of all Monies 'raised or received by the Commissioners under or by virtue of the Provisions of the Improvement 'Act and the Act now in recital, or either of them, or by Sale or Mortgage or from the Rents and 'Profits of any Houses, Buildings, Lands, Tenements, Rents, or Hereditaments by the Act now in 'recital or by the said Improvement Act authorized to be sold, mortgaged, demised, or let, or by the 'Sale of the Materials of any Houses or Buildings to be pulled down or sold as aforesaid, and of all 'other Monies which shall be received by them under or by virtue of the Authority of the Improve-'ment Act and the Act now in recital, or either of them, and of the Expenditure and Application of 'all such Monies for the Purposes of the Improvement Act and the Act now in recital, and of the 'Balance, if any, remaining unexpended at the Date of each Report and Account, and also the Number 'of Houses and Extent of Ground and other Property still remaining to be purchased in the Line of 'each Street, and the estimated Cost thereof, and the Funds applicable to the Purchase of the same: 'And whereas since the said recited Act of the Fifth and Sixth Years of Her Majesty's Reign was 'passed for regulating the Priorities of Monies authorized to be charged on the said Fund called "The '*London Bridge* Approaches Fund" the said Commissioners of Her Majesty's Woods, Forests, Land 'Revenues, Works, and Buildings have raised, by Mortgage of Land Revenues of the Crown in the 'County of *Middlesex*, and have advanced out of Monies received by them from Sales of Land Revenue, 'several further Sums of Money beyond the Sum of Five hundred thousand Pounds in the said Act 'mentioned, for carrying into effect and completing the several Improvements and new Streets autho-'rized and directed to be made by them the said last-mentioned Commissioners by the several Acts 'herein-before recited; and the Monies raised by Her Majesty's said Commissioners by Mortgage, and 'advanced by them out of Proceeds of Sales of Land Revenues of the Crown, for the Purposes aforesaid, 'now amount in the Aggregate to the Sum of Eight hundred and forty-five thousand Pounds; but the 'Monies so raised and advanced as aforesaid, and any Monies which may hereafter be raised by Mort-'gage of Land Revenues of the Crown under the Powers of the before-recited Act are applicable only 'to the particular Improvements and new Streets authorized and directed to be made by Her Majesty's 'said Commissioners, and no Part thereof can be applied to the Improvements and new Streets by the 'Two last-recited Acts authorized and directed to be made by the said *Westminster* Improvement 'Commissioners: And whereas the before-mentioned Sum of One hundred and eighty-nine thousand 'Pounds, charged as aforesaid by Her Majesty's said Commissioners upon the said Fund called "The '*London Bridge* Approaches Fund," constitutes the only Fund whereout Her Majesty's said Commis-'sioners are empowered to advance and pay the Sum of Thirty-nine thousand Pounds, and the Interest 'thereof, (to the Amount together of Fifty thousand Pounds,) by the Two last-recited Acts directed to 'be advanced and paid by them to the said *Westminster* Improvement Commissioners: And whereas 'the several Sums of Two hundred thousand Pounds and One hundred thousand Pounds, also charged 'by Her Majesty's said Commissioners upon the said Fund called "The *London Bridge* Approaches 'Fund," have Priority over the said Sum of One hundred and eighty-nine thousand Pounds charged 'by them upon the same Fund;
